WOAWW 'Fly it Forward'

Sub Committee Report

- WOAW was a tremendous success with over 60 women taking the opportunity to take flight for the first time. Participants came from local areas like Temora and Wagga, and even from Sydney and Canberra.
- We had 14 aircraft and pilots.
- We are very thankful for the huge support from the ADF with a King air, CT4 and the Hornet simulator along with the Defence Force recruiting team
- We will certainly continue this amazing journey next year and thank all involved for their assistance and help. Temora Flyers Inc is a great initiative, and shows how commitment and enthusiasm with a willing group of people can achieve amazing outcomes.
- Temora flyers Inc won the Most Acclaimed Organiser Worldwide for this year's event.
