

The Temora Flyers Inc Newsletter

Jan 28, 2016

"Presidential" Address:

TFI held the inaugural BBQ on Saturday 23rd January at the Camp Kitchen with over 60 people in attendance. The BBQ was an open invitation to anyone in Temora with an interest in Aviation and who would like to join our organisation. A big thanks to Robyn & Garath Otley for the catering and getting the word out. We had the Temora Independent in attendance for the scoop on the latest news story. We had a fantastic response from the local community all wishing to be involved with our planned adventures and events, with several people interested in learning to fly. Of course there were a few Radio Station celebrities who turned up with their fans which helped swell the numbers. The BBQ was an opportunity to spread the word on our TFI Logo competition, and to inform people of our plans to host Women of Aviation Week Worldwide, and a Country Hope Camp Weekend here at Temora. Proceeds from the BBQ will be donated to the school of the Logo Competition winner.

Thanks to everyone who came along, and to everyone who donated generously on the evening. The BBQ raised over \$250 in donations.

In the very near future, we will be arranging some "Fly Outs" to exotic locations around NSW & Victoria. We will be starting with some small hops and then going further afield. If you are interested in a particular location, or have suggestions, please let me know.

To all readers, if you have interesting articles you would like to put in the newsletter, please email me at "novemberbravowhiskey@gmail.com"
