Temora Flyers Camping Weekend

On behalf of the Directors, staff and most importantly, the children and families of Country Hope, I want to thank you all for your wonderful efforts in providing the weekend camp for us.

Special thanks to Ian for his initial approach and his massive input. His efforts will always be highly regarded by our organization.

It was a great boost to the families and the children, as these types of events take them out of the daily pressures they face. Financial and time constraints also restrict their ability to enjoy time together.

Our office runs on a small staffing and volunteers. Therefore your ability to organize and manage this for us is greatly appreciated.

Again, we wish to thank you for your wonderful support.

Yours sincerely
